Of the 84 researches, 14 researches were funded by the government amounting to Php 133,492,861.59 while 67 privately-funded researches reached a total fund support of Php 1,187,174,768.55. Below is the summarized data generated from the PHRR.

I. Number of studies registered

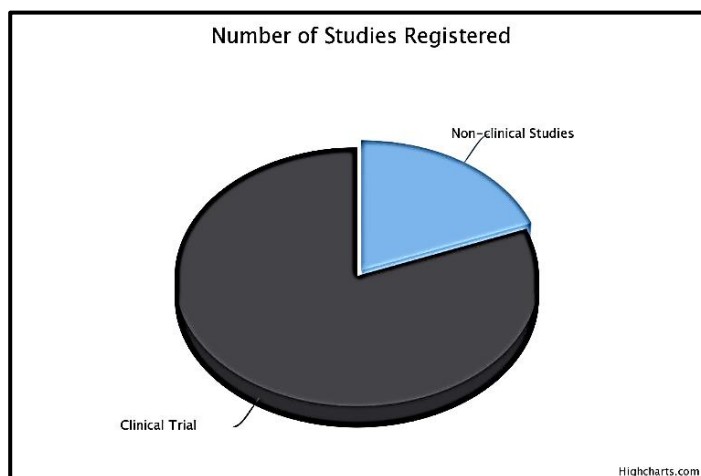

84

A. By Research Classification

Clinical Trial	68
Non Clinical Trial	16

B. Types of Clinical Trials

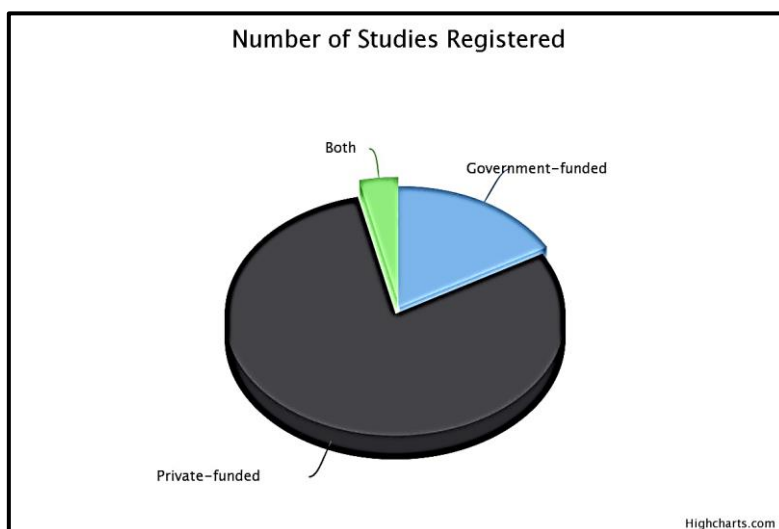

Interventional	60
Observational	8

C. For PCHRD/DOH-funded and monitored studies

Number of projects registered	11
-------------------------------	-----------

Total government-funded researches registered	14
Total privately-funded researches registered	67
Total government-funded and privately-funded researches registered	3

Total amount of government-funded researches	Php 133,492,861.59
Total amount of privately-funded researches	Php 1,187,174,768.55
Total government and privately-funded researches	Php 24,000,000.00
Number of privately-funded researches which did not disclose budget	16

D. By Funding Agency

Private Business Sector (includes Philippine CROs, Pharmaceutical Companies)	67
Philippine Council for Health Research and Development, Department of Science and Technology	9
Department of Science and Technology Regional Offices and Population Health Research Institute	1
Philippine Council for Health Research and Development, Department of Science and Technology and Population Health Research Institute	1
Philippine Council for Industry and Energy Research and Development, Department of Science and Technology	1
Philippine Council for Health Research and Development, Department of Science and Technology and National Institutes of Health – University of the Philippines - Manila	1
DOST National Capital Region	3
Self-funded	1

E. By National Unified Health Research Agenda

Health Technology Development	72
Health Financing	1
Socio-environmental Health Concerns	1
No information provided on research priority	10

Health Technology Development **72**

Diagnostics	1
Genomics/Molecular Technology	7
Drug Discovery and Development	60
Functional Foods	1
Others	3

Health Financing **1**

Others	1
--------	----------

Socio-environmental Health Concerns **1**

Health Social Sciences	1
