Below is the summarized data generated from the PHRR.

I. Number of studies registered

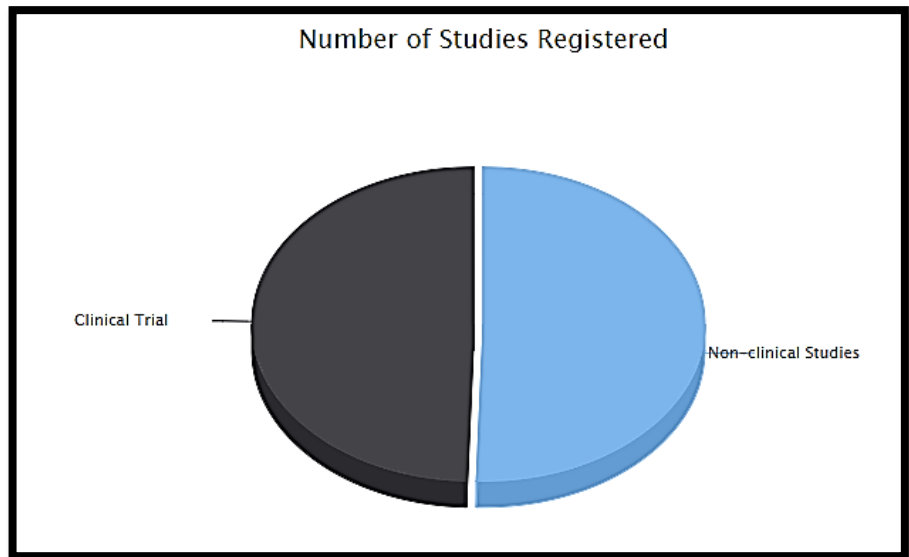

101

A. By Research Classification

Clinical Trial	50
Non Clinical Trial	51

B. Types of Clinical Trials

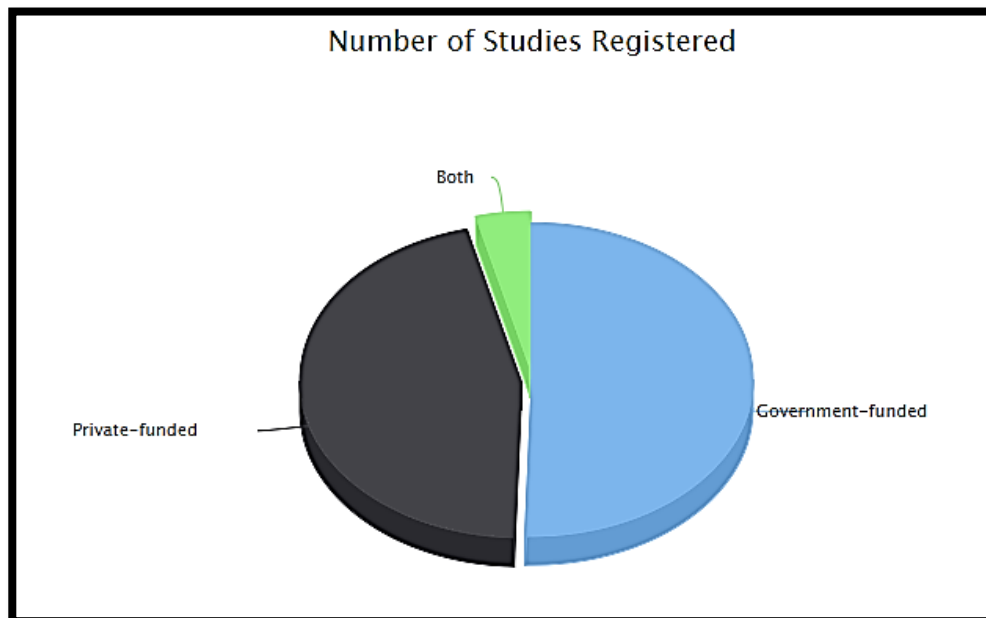

Interventional	48
Observational	2

C. For PCHRD/DOH-funded and monitored studies

Number of projects registered	35
-------------------------------	-----------

Total government-funded researches registered	51
Total privately-funded researches registered	46
Total government-funded and privately-funded researches registered	4

Total amount of government-funded researches	Php 194,120,620.00
Total amount of privately-funded researches	Php 3,065,390,122.00
Total government and privately-funded researches	Php 3,259,510,742.00
Number of privately-funded researches which did not disclose budget	6

D. By Funding Agency

Private Business Sector (includes Philippine CROs, Pharmaceutical Companies, Philippine Dermatological Society)	46
Philippine Council for Health Research and Development, Department of Science and Technology	25
University of the Philippines – Diliman, Office of the Vice President for Academic Affairs	1
University of the Philippines – Diliman, Office of the Vice President for Academic Affairs and University of the Philippines – Los Banos, Office of the Vice Chancellor for Research and Extension and Commission on Higher Education	1
Philippines Health Insurance Corporation	6
Baguio General Hospital and Medical Center	1
Jose R. Reyes Memorial Medical Center	1
University College London (UCL)	1
Ospital ng Maynila	1
Department of Health	9
Mahidol University, Faculty of Pharmacy and Ministry of Public Health, Department of Medical Sciences, Thailand	1
University of the Philippines College of Medicine – Research Implementation and Development Office	1
Department of Science and Technology and Maynilad Water Services, Inc.	1
Department of Science and Technology	3
Self-funded	1
Department of Health, Health Policy Development and Planning Bureau	1
Philippine Institute of Traditional and Alternative Health Care	1

E. By National Unified Health Research Agenda

Health Technology Development	47
Health Financing	3
Health Service Delivery	8
Socio-environmental Health Concerns	1

Health Technology Development 47

Drug Discovery and Development	42
ICT in Health	2
Genomics/Molecular Technology	2
Others	1

Health Services Delivery 8

Improving Provision of Public Health Services	5
Others	3

Health Financing 3

Financial Risk Protection	3
---------------------------	----------

Socio-environmental Health Concerns 1

Environmental and Climate Changes	1
-----------------------------------	----------

II. Other Information

Number of accounts granted	54
Number of account holders who uploaded	60
Number of Private-Funded researches not yet uploaded	35
