

## 2013 Annual Report of Philippine Health Research Registry

For 2013, out of 113 registered researches 74 were clinical trials and 39 were non-clinical trial researches. Of the 113 researches, 39 researches were funded by the government amounting to Php 106,997,194.20 while 38 privately-funded researches reached a total fund support of Php 685,506,404.70. Below is the summarized data generated from the PHRR.

### I. Number of studies registered

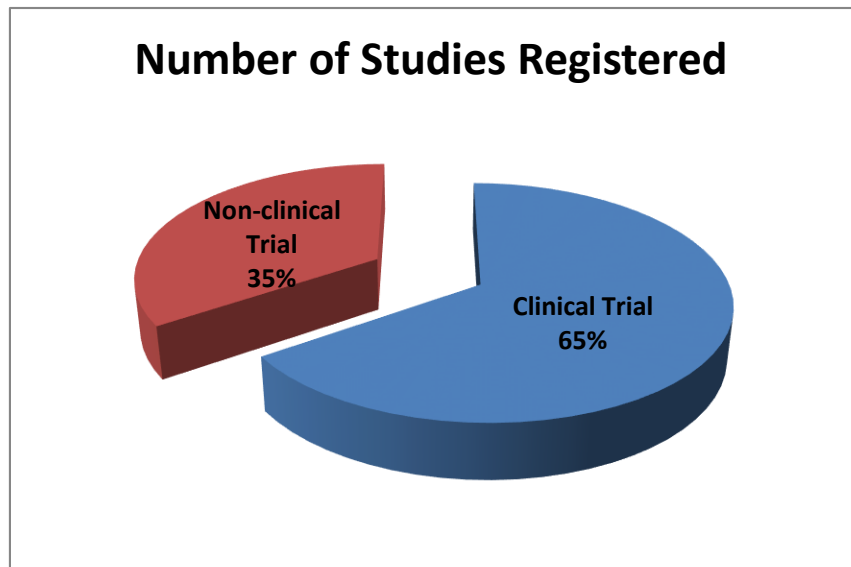

113

#### A. By Research Classification

Clinical Trial	<b>74</b>
Non Clinical Trial	<b>39</b>

#### B. Types of Clinical Trials

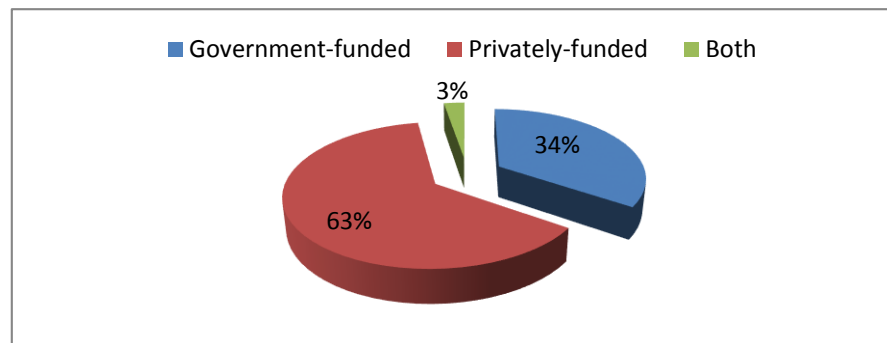

Interventional	<b>69</b>
Observational	<b>5</b>

#### C. For PCHRD/DOH-funded and monitored studies

Number of projects	<b>81</b>
Number of projects registered	<b>33</b>

Total government-funded researches registered	<b>39</b>
Total privately-funded researches registered	<b>71</b>
Total government-funded and privately-funded researches registered	<b>3</b>

Total amount of government-funded researches	<b>Php106,997,194.20</b>
Total amount of privately-funded researches	<b>Php685,506,404.70</b>
Total government and privately-funded researches	<b>Php 909,000.00</b>
Number of privately-funded researches which did not disclose budget	<b>33</b>

#### D. By Funding Agency

Private Business Sector (includes Philippine CROs, Pharmaceutical Companies)	<b>65</b>
Department of Health	<b>9</b>
Department of Science and Technology - Central Office	<b>1</b>
Philippine Council for Health Research and Development	<b>20</b>
Philippine Council for Health Research and Development and DOST-CO	<b>1</b>
Philippine Council for Health Research and Development and Pfizer, Inc.	<b>2</b>
Philippine Tuberculosis Society, Inc., Philippine College of Chest Physicians	<b>1</b>
University of the Philippines - National Institutes of Health	<b>7</b>
UP-NIH and Philippine Urological Association	<b>1</b>
UP-PGH, Department of Surgery - Division of Urology	<b>1</b>
Philippine Dermatological Society	<b>1</b>
Residents under the Philippine Dermatological Society (self-funded)	<b>4</b>

#### E. By National Unified Health Research Agenda

Health Technology Development	<b>44</b>
Health Financing	<b>0</b>
Health Service Delivery	<b>12</b>
Socio-environmental Health Concerns	<b>5</b>
No information provided on research priority	<b>52</b>

#### Health Technology Development **44**

Diagnostics	<b>4</b>
Genomics/Molecular Technology	<b>3</b>
Drug Discovery and Development	<b>29</b>
Functional Foods	<b>2</b>
ICT in Health	<b>3</b>
Others	<b>3</b>

#### Health Services Delivery **12**

Improving Access to Quality Hospital and Health Care Facilities	<b>5</b>
Improving Provision of Public Health Services	<b>7</b>

#### Socio-environmental Health Concerns **5**

Health Social Sciences	<b>3</b>
Environmental and Climate Changes	<b>1</b>
Others	<b>1</b>

## II. Other Information

Number of accounts granted	90
Number of accounts holder who uploaded	43
Number of privately-funded researches not yet uploaded	22
Number of PCHRD/DOH-funded and monitored researches not yet uploaded	50

Improvements on the registry were being undertaken to make it more user-friendly. The PHRR version 2 will be launched on 2014. Demonstrations were also conducted to help researchers upload their research. Researchers were informed that the information requested would not in any way result to infringement of their intellectual properties. Please see annex for the complete list of registered researches.
